

Interface Features & Visual Layout

The Semester Widget is designed for high visibility and ease of use. It automatically populates data to provide a seamless experience:

Program Overview: The Program Name, ID, and Description are automatically pinned to the top of the widget for context.

Semester Status Indicators:

- **? Green:** Indicates a currently Active semester.
- **? Grey:** Indicates Inactive semesters (either upcoming or already completed).

Interactive Course Cards: Each course within a semester is displayed as a card containing:

- Assigned **Teacher's name**.
- Course **Start** and **End dates**.
- A real-time **Progress Bar**.
- **Current Grade:** Displayed as a percentage in the top right corner of the card.
- **Expand & Collapse:** Users can click any semester header to hide or show the courses inside, keeping the dashboard clean and focused.
